Artsoniais the world's largest kids art museum online! Parents, relatives and friends are able to view the artwork online and can purchase items with their child's artwork. Available items for purchase include note cards, mouse pads, tote bags and key chains...among many other choices. Hough St. School will earn 15% from all purchases. This can be a really great "stress free" fundraiser! Please go to www.artsonia.com for more detailed information.

We are looking for classroom volunteers to take digital pictures of each child's artwork and download the artwork to the website. Liz Bure will be helping with the training of volunteers and will also be available to answer questions. You may come to school at a time that is convenient for you to take the pictures and download the artwork. We will contact you when art projects for your assigned class have been completed. Please feel free to call me at 847-387-3452 or e-mail at Ldstreiff@comcast.net if you have any questions.

If you are interested in helping with Artsonia, please complete the form below and send it back to school with your child's teacher with my name, Lisa Streiff /Artsonia on the front of the envelope. Thank you!
