

Do you spend money at any of these retailers?
Do you buy gift cards from any of these stores?

If your answer is YES, you can buy gift cards for your Everyday Shopping, Holiday Shopping, Teacher Gifts, Employee Appreciation Gifts etc.....through the Hough PTO. It's the gift that gives not only to others, but back to your community and your children through directly helping Hough Street School!

The result of purchasing gift cards through the Hough PTO is a profit for our school at **NO COST TO YOU!** Last year we saw a profit of \$1,200. That is quite a nice sum for not spending one more cent than we normally would for shopping.

The opportunity to buy gift cards through the Hough PTO begins NOW!! Look for order forms and instructions in your child's backpack. *For a look at all participating retailers, logon to mannagroup.net.*

Give a Special Thank You to Someone at Thanksgiving!

Order Your Gift Cards Today Through the Hough PTO

It's Quick and Easy.....Orders Due November 13th!

Here's How It Works

This year-round fundraiser provides over 200 local and nationwide grocery, retail, restaurants, gas stations and specialty gift cards to the Hough PTO. You purchase gift cards, which are the same gift cards you buy at the store, at face value, and Hough receives a rebate ranging from 3-20 percent. You then use the cards just like cash. For example, if you buy a \$100 Jewel gift card through the program, Hough will receive a rebate of 5% or \$5. It costs you nothing more than you would spend otherwise, and it helps support our school. You can find a list of vendors on the attached order form and even more at mannagroup.net.

Getting Started

1. Complete the attached order form with the number of gift cards for each vendor (if there is a vendor you would like to order from that is not listed, go to mannagroup.net to see if the vendor is listed and if so, add it to the order form).
2. Enclose your check with the total gift card amount and make it payable to the Hough Street School PTO.
3. Send it all in to your child's teacher by **Thursday, November 13th**. Your order will be ready to pick up in the Hough office by **Thursday, November 20th**.

Great Ways to Use These Gift Cards

- Of course, *everyone* loves to receive gift cards as holiday gifts and birthday presents. Gift cards are also great for employee appreciation gifts!
- We all make purchases from many of these vendors – buying groceries, filling up the gas tank, dining out. You can buy gift cards for your own routine use at these vendors....and the rebate benefits the Hough PTO at no additional cost to you!
- Around the holiday season, there are Hough families that could use a little extra financial assistance for their holiday meals and gifts. With your order, you could include an extra gift card or two to donate to a family. When the gift cards come in, you can drop off your donation to Dr. Gill.

If you have any questions about the Hough Gift Card program, please contact Tracy Brienien at (847) 277-7855 (jtdbrienien@ameritech.net) or Ginny Connors at (847) 922-7942 (vsconne@aol.com)
